**A NOTE FROM GRAND KNIGHT JOHN SCHECHTER**

Our Council's current Activity Program Directors are busy putting the finishing touches on our plans for activities during the 2006-2007 fraternal year. The Directors are George Frank (Church activities), Chris Bauer (Youth activities), J. P. LaFramboise (Membership activities), Bob Krummen (Council activities), Eric Schroeder (Community activities) and Bill Meyer (Family activities), and they are all capably directed by Bill Fullam (General Program Director). Activities already being discussed include a pancake breakfast, Christmas banquet, Christmas Tree Sale, Measure-Up campaign, a number of interesting Social Meetings, and many other activities. Stay tuned and also be ready to respond if one of these directors calls you to lead or assist in an activity!

I must also mention an important activity that is continuing under the determined leadership of Jim DeStazio. Our Council's new First Degree team is nearly ready to be certified by our District Deputy; hopefully within the month. Our team already has a tentative date on their calendar as they work toward conducting a First Degree ceremony on October 11<sup>th</sup> for our brothers at Marian Council #3864 in Whitehall. Once certified, our First Degree team will be able to conduct an imitation ceremony for any recruit for our council or for neighboring councils in the area. Hats off to Jim and the entire team for undertaking this remarkable effort.

Finally, I would like to remind all St. Andrew parishioners of the RENEW program being deployed now at the parish. RENEW is a network of small groups (usually 8-12 people) that form and meet together for a few months. The groups are facilitated by fellow parishioners who are trained in a curriculum that is intended to build a sense of community between the participants and to inspire them toward a Christian lifestyle. Our RENEW program will begin this fall with a "mission", which will be a series of three evenings (September 25, 26 and 27 from 7:00 to 8:00 PM, followed by refreshments and social time in the parish hall). I encourage you to attend the mission evenings and to sign up for a small group as well. Additionally, a few Knights are needed to provide transportation to the mission programs for shut-ins or physically challenged people. Please call J. P. LaFramboise (218-6886) if you are interested in helping.

## CHAPLAIN'S MESSAGE

My Dear Brother Knights,

Labor Day, that herald of the end of Summer and the approach of Fall, has come and gone. The last couple days have brought a nip in the evening air, high-flying icy wisps of clouds coursing across the sky, the first big win for the OSU Buckeyes (how could I not mention *that!*), and schools across the area are bustling with the start of a new school year. Things are getting busy all around us. And, things are getting busy for our council in this new fraternal year – looking forward to another busy and inspiring year for our council and its activities. As brother Knights, we are called to serve Christ and to help make his presence felt by others through our faithful imitation of him. Each time we gather together, every activity of our council – gives us the opportunity to give witness to Christ by what we say and do. We know that what we do for others has immeasurable value and import. When we reach out to others, as Christ reaches out to us, we help others to know what Christian and fraternal love is all about. May the Lord bless the work of our hands, uplift our spirits and enlighten our hearts through what we do in His name. Blessings and peace to all.

Fr. Dennis Stevenson, Chaplain

### **The Advantages of Children's Policies**

It's quiet at home, now that the kids have gone back to school. If you and your spouse have sufficient life insurance for yourselves, you may want to investigate policies for your children. There are a variety of reasons why the Knights of Columbus encourages members to consider purchasing policies for their children. The most important one is that someday, your children will go off to college, start careers, buy homes, get married, and have families of their own. By starting low-cost children's policies now, you can help them meet this future need. A guaranteed purchase option rider lets your child purchase additional coverage on six future occasions without evidence of insurability. Doing so will cost much less than if they have to purchase their own policies as adults. Moreover, what if your child develops a medical condition later on? If you've already started the policy, this won't be an obstacle to obtaining coverage – nor will your child be placed in a prohibitive rate class. Last but not least, the cash value of a permanent life insurance policy is one more source of funds for meeting your child's future financial needs. What's more, the cash value increases over time and any dividend declared will increase these values. Helping to secure a more financially stable adulthood tomorrow for a member's child today is a worthwhile endeavor for a fraternal benefit society such as the Knights of Columbus. It's also a logical extension of our Order's mission to "Make a Difference for Life." Talk to me to find out more.
